

**Water Preform Supply**  
**&**  
**Stretch Blow Molding Machinery**

**Object:**

If preform production Capacity has not reached economic scale to invest the turnkey of PET Injection Molding Machinery, customers may consider importing preform & cap from Taiwan and purchase stretch blow molding machinery to produce bottles.

## Current Supply

Product A: PET 28mm \* 15g

Product C: PET 28mm \* 16.5g  
PCO1810

Product C: PET 28mm \* 18g  
PCO1810

Product D: PET 28mm \* 20g  
PCO1810

Product E: PET 28mm \* 27g  
PCO1810

Product F: PET 28mm \* 29g  
PCO1810

Product G: PET 28mm \* 31g  
PCO1810

Product H: PET 28mm \* 35g  
PCO1810

Product I: PET 28mm \* 41g  
PCO1810

Product J: PET 28mm \* 58g  
PCO1810

PUMAO

Product G: PET 28mm \* 75g  
PCO1810

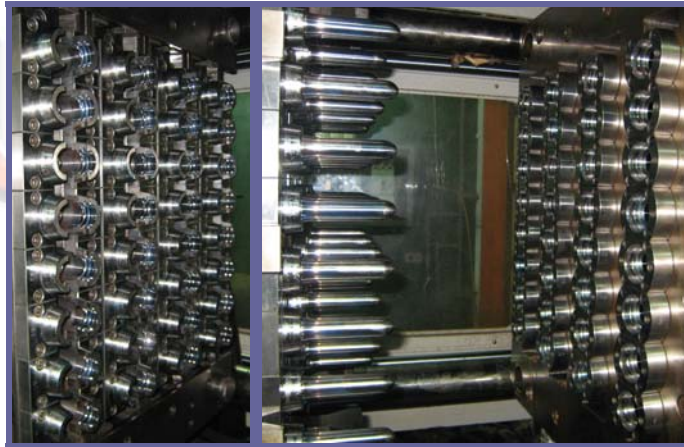

*Equipment for Preform & Cap*

**PET Injection Molding Machine**

**Preform Mold**

**Preform Mold Structure**

**Hot Runner**
